Egypt

The 8th Arab Conference on Information, Communications, and Space Technology (ARAB ICST 2026) is a leading Arab event held under the umbrella of the Federation of Arab Engineers through its Information, Communications, and Space Committee. This year, it is organized and hosted by the Egyptian Engineers Syndicate, in cooperation with the Military Technical College, and will take place for the first time in the Arab Republic of Egypt from April 14 to 16, 2026.

The conference aims to strengthen Arab collaboration in Artificial Intelligence, Information and Communication Technology, and Space Engineering, by bringing together leaders, experts, researchers, and institutions to exchange experiences, showcase innovations, and explore opportunities for a sustainable digital future.

The conference invites all academic, industrial, and technological institutions, and all those interested in participating, to join and contribute to sponsoring this prestigious Arab event and support scientific and technical cooperation among Arab countries.

Sponsorship offers unique opportunities for direct interaction with decision-makers and experts, wide media exposure, and brand promotion at the Arab and regional levels.

Technical Exhibition

A specialized technical exhibition will be held alongside the conference sessions to showcase the latest engineering and technological products, services, and solutions in Artificial Intelligence, Digital Transformation, Communications, and Space Engineering.

The exhibition invites companies, institutions, and research centers, as well as anyone wishing to present their products, technologies, or innovations, to participate in this distinguished event. It provides a unique opportunity to present innovations to Arab leaders, experts, and participants from various countries, and to enhance cooperation, investment, and technology transfer at both the Arab and international levels. Date: April 14–16, 2026

Location: – Cairo, Egypt

The organizing committee looks forward to the active and distinguished participation of all academic, industrial, and technological entities, as well as everyone interested in the conference themes. Your support and contribution are highly appreciated to ensure the success of this leading Arab event that brings together science, industry, innovation, and Arab collaboration.

Important Notes

1. Pricing: All prices are in USD and subject to confirmation based on the final event scope and sponsorship availability.

Egyptian sponsors pay in EGP OR Dollars.

2. Custom Packages: Organizations may propose custom sponsorship arrangements customized for particular marketing goals and budget constraints.

3. Early Bird Discount: Sponsors confirming participation before December 31, 2025, may receive a 10% discount on selected sponsorship levels.

4. Payment Terms: A 50% deposit is required upon commitment, with the balance due 30 days before the conference.

5. Logo Specifications: High-resolution logos (300 DPI, EPS, or PNG format) must be submitted within 7 days of the sponsorship agreement for inclusion in all promotional materials.

6. Duration: All benefits are valid for the duration of the conference (April 14–16, 2026) and extend for 30 days afterward in digital materials.

7. Exclusivity: Platinum and Gold sponsors can request category exclusivity to maintain unique positioning within their industry sector.

8. Amendments: The conference organizing committee reserves the right to adjust sponsorship packages as needed for the event, while ensuring sponsor value is maintained.
